How to get started ?

Learn more ?

AWS Educate offers hundreds of hours of self-paced training and resources for new-to-cloud learners—including hands-on labs.

<https://aws.amazon.com/education/awseducate/>

Join the **AWS Community**.
Students can join or lead an AWS Cloud Club in their region.

<https://community.aws/students>

Validate expertise with an **AWS Certification**.

<https://aws.amazon.com/training>

Start the first Cloud Club in Romania !

Are you a student?

- Tap into our network of AWS Cloud Clubs, now launched for students!
- Get access to AWS Developer Advocates, Heroes, Community Builders, and other professionals to build your professional network
- Build your skills in AWS technologies
- Connect with students worldwide
- Participate in events to up-skill
- Unlock benefits such as AWS credits and exam vouchers for your career and learning journey

Ready to soar?

Let us know if you're interested in leading or facilitating the foundation of a Cloud Club in your region.
